

Attn Customers: Pricing Changes March 1, 2024

NEXT customers will notice new pricing on their bill starting March 1, 2024. There are two changes below to note.

1 **Television package pricing will change due to an increase from our provider.

Periodically, TV network owners increase the fees they charge for the right to broadcast their movies, shows, and sporting events. Your pricing adjustment will depend on which plan you have.

2 **Our Wireless Gateway/Router Service will change from \$4.95 to \$6.95 due to new and exciting technology that will be provided to all customers utilizing our routers.

This Technology includes the following exciting new features..

- NEXTIQ: (The APP that Manages your WiFi)

- Assign devices to profiles for personalized control
- Quickly create and share a guest network
- See who and what devices are on your WiFi
- Create people profiles

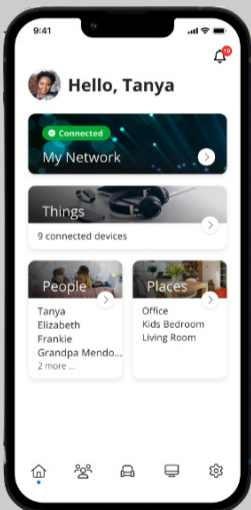

- ProtectIQ: (Protects your Network)

- Monitors blocked threats, intrusions and viruses
- Keeps track of your connected devices to ensure they are protected
- Receive real-time alerts when a threat has been blocked
- Easily perform a security scan on all your devices

- ExperienceIQ: (Parental Control Features)

- Allows you to set the rules for sites like YouTube, TikTok and games like Roblox and Minecraft.
- Parental control of screen time - i.e. screen time limits, bedtime, etc.
- Monitors websites and every app used across your family's connected devices

See attached the new rates that have changed, (highlighted).
